**Doing what we do best
so that you go on doing
what you do best!**

Series - E Components offer

- ▶ Full range of compatible transceiver solutions for all manufacturers of networking equipment.
- ▶ Our Series E Compatible Optics line of compatible transceivers provide a cost-effective, 100% compatible solution to OEM products at a fraction of the price without sacrificing quality or functionality.

Our compatible line of transceivers includes

- ▶ **GBIC, SFP, SFP+, XFP, X2, and XENPAK** products.
- ▶ All of our compatible transceiver solutions are **RoHS Compliant, MSA (Multi-Source Agreement)** compliant for form, fit, and function in all MSA compliant switching and routing platforms.

All products **meet IEEE Standards** for optimum performance and reliability and are all uniquely programmed, serialized, and tested in-house to ensure their 100% compatibility and functionality in their specific networking environment. All of our Series E products are backed by an industry-leading lifetime warranty.
